The members selected shall be subject to the approval of a majority vote of the teachers in the district. At a minimum, once every four (4) years the committee shall include at least one school counselor in its membership.

Programs shall emphasize development of competencies in the core curriculum areas. Each program shall include components on classroom management and student discipline strategies, outreach to parents, guardians or custodians of students, and ~~multicultural education~~ racial and ethnic education, which all personnel defined as teachers in Section 1-116 of this title shall be required to complete on a periodic basis. The State Board of Education shall provide guidelines to assist school districts in developing and implementing racial and ethnic education components into professional development programs. Each adopted program shall allow school counselors to receive at least one-third (1/3) of the hours or credit required each year through programs or courses specifically designed for school counselors. No school district shall receive state funds for professional development until the program adopted by the ~~local~~ board of education has been approved by the Board.

D.
